BLUESELECT PLUS NETWORK – THREE HOSPITALS ADDED TO NETWORK

When savings is just as important as having care close to home.

BlueSelect Plus is a select network of healthcare providers specially designed to provide affordable access to care in and around the metro area. With this network, your premiums will be lower based on the discounts Blue Cross and Blue Shield of Kansas City (Blue KC) has negotiated with these providers.

Who should enroll and what access do I have with the BlueSelect Plus network?

BlueSelect Plus is **best for members who:**

☑ **Live in one of these twelve (12) counties:**

Kansas: Johnson, Wyandotte

☑ **Seek care from any of the 4,100+ providers and 16 hospitals primarily located in these seven (7) counties:**

Missouri: Clinton, Clay, Jackson, Johnson, Platte

Over 4,100 Providers.
16 Top Hospitals.

Understand if your employer is offering the BlueSelect Plus on an Exclusive Provider Organization (EPO) plan or a Preferred Provider Organization (PPO) plan (or both). Then use the following guidelines to better understand the network and your coverage.

BlueSelect Plus Network (EPO & PPO Differences) and BlueCard Network

BlueSelect Plus Network

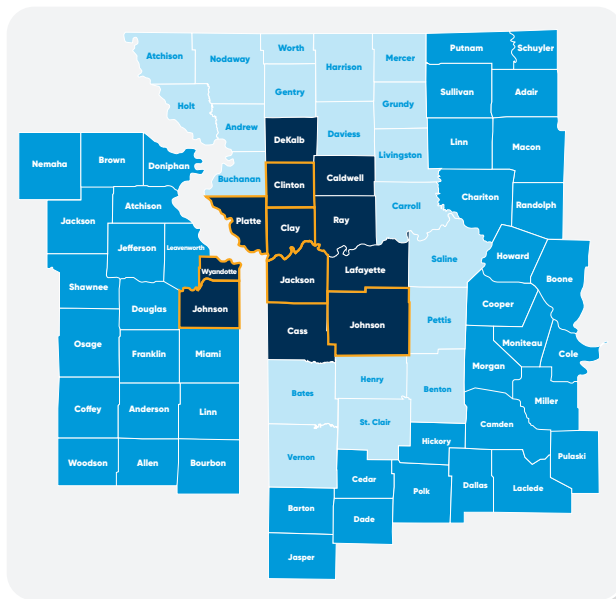

- Provides in-network coverage in the **dark blue** areas of the map. Costs apply toward your annual deductible.
- Hospitals located in the BlueSelect Plus network are located in the seven counties outlined in **orange** (excludes HCA and St. Luke's). Costs apply toward your annual deductible.

BlueCard

- Visit **MyBlueKC.com** to see in-network providers for our medical plans
- Simply click **Find a Provider**. You will then be prompted to enter information found on your member ID card.

Out-of-Network

Plan Type (EPO or PPO)

BlueSelect Plus Network: When receiving care in the BlueSelect Plus network.

See your member ID card to determine if you are on an EPO or PPO plan type.

You have in-network coverage when using any of the 4,100+ providers and sixteen (16) hospitals in the network. Important note: All other hospitals (and their providers) in the Kansas City metro area that are not in the BlueSelect Plus network are considered out-of-network.

‡ Emergency services are always covered at the in-network cost share. Cost applies toward your annual deductible.

BlueCard: When receiving care in the BlueCard network.

You have access to the BlueCard network which offers coverage nationwide, including counties in dark blue on the map. Cost applies toward your annual deductible.

*KEY DIFFERENCE

† **Out-of-Network:** When receiving care outside the BlueSelect Plus network within the 32-county Blue KC service area.

EPO: No coverage out-of-network except for emergencies services. You will be responsible for 100% of costs associated with any care received out of network.

PPO: Your extended out-of-network benefits provide some coverage, but higher-out-of-pocket costs will apply.

*Out-of-network benefits are subject to the plan's allowable charge. Out-of-network providers may bill the member for the remaining balance if they are enrolled in a PPO plan. Members with EPO plans receive no out-of-network coverage except for emergency services and will be billed in full.
