* With respect to federal taxation only. Contributions, investment earnings, and/or distributions may or may not be subject to state taxation. See your tax professional for more information on the state tax implications of HSAs.

† It is the HSA account holder's responsibility to determine whether a particular expense is a qualified medical expense.

The information provided herein is general in nature and provides examples of eligible qualified medical expenses based on IRS Publications 502 and 969 and other IRS guidance. The examples are not all-inclusive and may be subject to change. It is not intended, nor should it be construed, as legal or tax advice. Because the administration of an HSA is a taxpayer responsibility, you are responsible for the tax consequences of distributions from your HSA and you may want to consult a tax professional if you need specific tax advice. You are also encouraged to review information in IRS Publications 502 and 969 online at www.irs.gov, or you can call the IRS, Forms and Publications, to request a copy of each at 800.829.3676.
