You have in-network coverage when using any of the 4,100+ providers in the seven (7) area counties and thirteen (13) hospitals in the network. Important note: All other hospitals (and their providers) in the Kansas City metro area that are not in the BlueSelect Plus network are considered out-of-network. ‡ Emergency services are always covered at the in-network cost share. *KEY DIFFERENCE

[†] **Out-of-Network:** When receiving care outside the BlueSelect Plus network within the 32-county Blue KC service area.

EPO: No coverage out-of-network except for emergency services. You will be responsible for 100% of costs associated with any care received out of network.

PPO: Your extended out-of-network benefits provide some coverage, but higher-out-of-pocket costs will apply.

[†]Out-of-network benefits are subject to the plan's allowable charge. Out-of-network providers may bill the member for the remaining balance if they are enrolled in a PPO plan. Members with EPO plans receive no out-of-network coverage except for emergency services and will be billed in full.
