

Chart Your Path to Success With Education Coaching

Whether you're thinking about going back to school or you want to build the skills necessary to advance your career, personalized coaching through your employer-sponsored **Bright Horizons EdAssist Solutions®** benefit can help. Even better — it's free!

Start a Personalized Coaching Session to:

- Learn how to tie education to your career goals
- Eliminate confusion around the variety of education options
- Determine best-fit programs, learning environment, and schedule
- Explore grants, scholarships, and financial aid options
- Develop budget strategies to reduce or eliminate out-of-pocket costs

Take Advantage of 3 Types of Coaching

No matter where you are in your education journey, our experts can help you through each stage of the process.

Policy Expert Coaching: Explore your company's benefit policy, what it covers, and ensure you're on the right track with the application process.

Academic Coaching: Learn how to find a program that matches your personal, professional, and financial goals. Plus, get customized recommendations on pathways and trends in your industry.

College Finance Coaching: Get helpful financial aid, loan, and scholarship search information and find out how to fund your education beyond your education assistance benefit.

What is a Personalized Education Plan?

As a follow-up to your coaching session, you may receive an Education Plan to help take the next step.

Here's what you can expect:

- ▶ Education programs that match your goals and format preferences
- ▶ A list of participating colleges that align with your program of choice – including their admission requirements
- ▶ Accreditation and credit-transfer information
- ▶ Costs and discounts*
- ▶ And more!

*Due to licensing and credentialing requirements constantly evolving, please ensure program meets state board requirements.

Please note: you are not required to attend a network school in order to use the education assistance program.
